BUSINESS Spotlight

There's a little bit of Mexico in Prospect! Senor Pancho's, an Authentic Mexican Restaurant located at 280 Cheshire Road in Prospect opened its doors in June of 2006 and began serving their delicious Mexican cuisine to the community. Owner, Andy Adames purchased the former Bellissimo Restaurant and completely remodeled the interior of the building. In fact, when redecorating, he reused the original oak strips from the walls, installing them throughout the front lounge, dining and banquet rooms giving it a warm and cozy atmosphere. Upon entering the restaurant, you are greeted with beautiful murals, Mexican pottery and brightly colored serapes, or blankets that cover the dining booths.

The restaurant is open 7 days a week and serves lunch from 11:30 a.m. to 3 p.m. and dinner until 10 p.m., weekends until 11 p.m. A Mariachi band livens up the restaurant on the weekends. If you're lucky enough to dine at Senor Panchos on your birthday, their Mariachi Band will provide you with a special serenade and souvenir for a night to remember!

The restaurant can accommodate up to 140 people in their dining room, 80 people in the banquet hall and an additional 40 people on their exterior patio, which is expected to open this spring. Monday through Thursday offers Happy Hour between 4 p.m. and 7 p.m. with free munchies and reduced drinks. Early Bird Specials, starting at \$15.95 are also offered Monday through Thursday between 3 p.m. and 6 p.m. and include a cocktail, entrée and dessert. Dining Room Specials are also offered daily. Senor Panchos will deliver your lunch order within Prospect for 12 or more orders and also offers a full line of catering. Famous for their extensive selection of Margaritas, some of their mouth-watering specialties also include Enchiladas, Quesadillas and Nachos as well as their original family recipes for Sauces and Salsa.

If you can't get enough of the Salsa in the restaurant, it is also sold at Oliver's Supermarket in

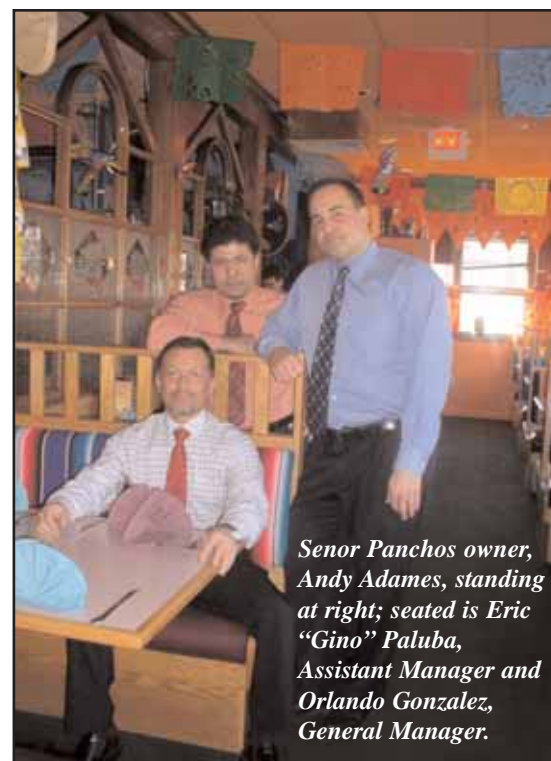

Senor Pancho's Restaurant

by Sharon Aldrich

Prospect, Southbury Food Center and Organic Foods in Woodbury.

Adames, who got into the restaurant business after helping his uncle at Panchos & Gringos, another Mexican chain, also owns and operates Senor Panchos in Southbury, Monroe and Litchfield. He notes that the key to his success is looking in small communities to find the right location for his restaurants. In the short time he has been in Prospect, he has given back an extraordinary amount to the community by sponsoring local little leagues, softball and soccer organizations as well as the recent Canfield Park Fundraiser held at the Prospect restaurant. Of course, he also keeps customers coming back by offering good service, good atmosphere and a quality dish.

Senor Panchos owner, Andy Adames, standing at right; seated is Eric "Gino" Paluba, Assistant Manager and Orlando Gonzalez, General Manager.
