

## The Beat Goes On .... Prospect Drum Corps News By Fred Harkins

The Prospect Drum Corps is looking for new members. We are starting our annual recruiting drive and are looking for youth between the ages of 8 and 18. We will need fifers, horn players, drummers and color guard members. Don't worry if you can't play an instrument - we will train you!

If you want to travel with the drum corps and have lots of fun, come and see us. It's also great exercise.

This year, the Prospect Drum Corps has awarded the Harlow Memorial Scholarship to Aimee Boisvert of Cheshire and Justin Iwinski of Prospect. Aimee will be attending Sacred Heart University in Fairfield and Justin will be attending the University of Connecticut at Storrs. The scholarship was started three years ago in memory of the Harlows who were founding

members of the Prospect Drum Corp. This scholarship is presented each year to long-standing members who are attending an institution of higher education and who have also shown good

drum corps spirit. Good luck Aimee and Justin; the corps will miss you.

The Prospect Drum Corps meets every Friday from 6:30 to 9 p.m. at Community School in

Prospect. We provide uniforms, weekly music lessons as well as the instrument (if needed), and transportation to and from all of the events. No musical experience is necessary. The monthly dues are \$10 per youngster. If you are interested in being a part

of this dynamic group, you can stop by Community School any Friday evening or call me at 758-4929 or Bob Cavallo at 758-7887. You can go to our website at [www.prospectdrumcorps.com](http://www.prospectdrumcorps.com) Please come and see what we're all about.

## Cheshire Community Chorus Seeks New Members

The Cheshire Community Chorus is seeking new members. All voices are needed, including sopranos, altos, tenors, baritones and basses. Try-outs are not required and members do not have to be Cheshire residents. A warm welcome is extended to any person who enjoys singing.

Rehearsals for the Holiday concert in December will begin on Tuesday, September 5 at 7 p.m. at the Highland Health Care Center, 745 Highland Avenue (Rt. 10) in Cheshire. Rehearsals are held every Tuesday evening thereafter from 7 to 9 p.m.

The Cheshire Community Chorus began in 1980 as part of Cheshire's Bicentennial celebration and has continued uninterrupted since that time presenting a Holiday Concert each December and a Spring Concert in April or May each year. Choral selections cover a wide variety of music, from classic and contemporary to old favorites, with emphasis on presenting an enjoyable and entertaining program for the audience. Lisa Zolkiewicz-Ives will be returning for her seventh season as conductor. Chorus members look forward to an exciting new season. For further information, call Fran Liedke at 272-7164 or Marge Moser at 272-2308.
