

A Message From Our Produce Manager, Jerry...

Now that the summer is nearing its end, it's Fall Harvest time at Oliver's. Stop in for the best selection of native produce at its best and lowest prices -- including early fall apples, acorn & butternut squash, peppers, peaches, pumpkins and more.

It's Apple Crisp Time Again!

Ana will start baking her famous Apple Crisp again -- be sure to pick some up for dessert!

Helpful Hints for Safe Handling of Perishable Foods During the Summer Months

- Always bring your meats directly home -- from our refrigerator to yours.
- If not cooking your chicken or hamburger on the same day as purchased, put it directly into your freezer.
- Thaw meat in the refrigerator -- not on your counter.
- Never leave perishables in your car during the warm weather.
- Leave a cooler in the car for your cold groceries.

Oliver's Policy Regarding Out-of-Stock Advertised Items

If an advertised item is out of stock, Oliver's will substitute an item of equal or greater value. Or, if you prefer, you may obtain a raincheck. Look for the signs, with our apologies, when an item is out of stock.
